Dear Parents and Carers,

Full Opening of Wivelsfield Primary School September 2020

I am writing to inform you that, in line with government guidance, we are delighted to be planning to fully open Wivelsfield Primary School for all pupils in September.

For all but a few children, 'School and college attendance will again be mandatory from the beginning of the new academic year. For parents and carers of children of compulsory school age, this means that the legal duty on you as a parent to send your child to school regularly will apply.' (DfE July 2020)

Over the next few weeks, we will be working to update risk assessments and plan routines to ensure the whole school community is as safe as it can be. Arrangements will be shared with you as soon as possible, but it may not be possible to do this before the end of the summer term.

As always, these plans could change at short notice, if government guidance prevents us from fully opening.

In the meantime, we look forward to seeing many of your children on 20th or 21st July.

Kind regards

Helen Smith
Headteacher
